Confirmation e-mails

- Payment confirmation e-mails will only be sent to the e-mail address entered in the payment screen. This may not be the e-mail address on the policy.
- If multiple payments are made with different e-mails each e-mail address will receive a confirmation of the payment made that is associated with that e-mail
- BWC employees are not allowed to enter an invalid e-mail address and they cannot enter a BWC e-mail address
- Employers that cannot or will not provide an e-mail address cannot make payments online or over the telephone. They will have to submit a check or money order. BWC does not accept cash.
