The strength of an organization's leadership structure is essential to its ability to be successful and viable long-term. In order to be prepared for either a planned or sudden, permanent or short-term change in your organization's leadership, it is critical to have a plan in place for new leaders to assume those important responsibilities.

Join us as we explore the importance of succession planning and discuss the following topics:

- How to make the case for succession planning to your organization's top leaders
- How to ensure that the succession plan is in sync with your organization's strategic plan and goals
- The importance of thinking into the future (not just for today)
- How to position succession planning as a key part of a comprehensive talent management process
- Obtaining buy-in: getting your leaders to take ownership
- The importance of communication to the success of your plan
