

There's nowhere we won't go
to keep you safe.

After a training event with Cardinal, I would receive nothing but **positive feedback** from the attendees. I **strongly recommend them for safety services**.

-EHS Supervisor

Leading Change: Occupational Health and Safety Experts

Cardinal Compliance Consultants is an Ohio-based firm, founded in 2014. We specialize in environmental health and safety training, consultation services, and safety staffing solutions. Serving clients in more than 29 states and 4 countries, we're committed to going anywhere we're needed.

With over 150 years of combined experience in the field, our team of experts are committed to providing high-quality, and sustainable health and safety solutions in the workplace.

Unlike similar companies, we're not limited to one specialty, but rather, we pride ourselves in delivering a comprehensive solution, tailored specifically to your business needs.

It's simple. Every worker deserves to feel protected and empowered with the right knowledge, equipment, and practices to return home safely. Avoid potential violations and costly injuries by partnering with the Cardinal team.
